

**Can't find something you are interested in?**

The beauty of serving at GNG is that we consider GNG like a laboratory. We are willing to try many different things. Sometimes they are successful and sometimes they aren't. We don't consider any thing a true failure, but rather a learning experience.

If you have an idea for a ministry that GNG does not offer, we would love to hear it. Please contact JD Lyle and schedule an appointment.
