

Life Impacting Fellowship Experiences

At Good News Gathering we believe that LIFE Groups are the best context for developing solid Christian relationships. In a LIFE Group, you have the opportunity to not only be loved and accepted, but to develop friendships with others who are discovering what it means to follow Jesus!

A GNG LIFE Group...

- is a great place to meet new people and make lifetime friends
- gives you a place to belong and a sense of community that we all desire
- gives you the kind of support you need to continue to move forward in your spiritual journey
- is a great place where you can search the Bible with fellow explorers for relevant application to your life
